

Fly-ins Within 100 NM of KBAK

June 15, 2026 through December 1, 2026

Airport center: KBAK - Columbus Municipal Airport, Columbus, Indiana

Radius: 100 nautical miles, great-circle distance

Purpose: Quick planning reference for verified public fly-ins / fly-in-friendly airport events.

Planning note: Before flying, verify the event is still active and check the current Chart Supplement, NOTAMs, TFRs, airport notices, runway status, weather, and any special arrival or parking procedures.
